Bengaluru, Karnataka, India | +91 6360344598 | akshayffb@gmail.com | <https://github.com/akshayffb>

Profile

Full-stack Web Developer with 2.11+ years of experience building web applications and e-commerce platforms using Laravel, MySQL, and JavaScript. Skilled in API integration, WordPress, Shopify, and backend development. Focused on building scalable solutions, integrating APIs, and continuously improving problem-solving and system design skills.

Experience

Associate Software Engineer | Madgeek Pvt. Ltd. | 2023 – Present

Travel & Booking System

- Developed booking workflows, user role management, and reporting features using Laravel
- Built and improved backend logic and frontend interactions (Blade/Vue)
- Worked on feature enhancements and bug fixes in a live production system

E-Commerce Development

- Customized and extended an existing Laravel-based e-commerce platform based on client requirements
- Developed Shopify themes and implemented WooCommerce features
- Integrated payment gateways, shipping APIs, and third-party services

SaaS Platform

- Built authentication, team workflows, and background jobs using Redis queues
- Designed database schemas and integrated external APIs (SFTP, third-party systems)
- Managed file storage and backend APIs using DigitalOcean (Cloud Storage, Spaces)

UPI Payment Reminder – Personal Project

- Building a system to track and send automated reminders for pending UPI payments
- Implementing scheduling, backend logic, and notification workflows
- Improving problem-solving and real-world system design skills

Technical Skills

- PHP (Laravel, CodeIgniter), Java
- JavaScript (jQuery, Vue.js)
- MySQL, Redis
- REST APIs, Database Design
- WordPress, WooCommerce, Shopify (Theme Development)
- Git, SourceTree, FileZilla, Figma
- DigitalOcean, SFTP, Server Debugging

Education

Bachelor Of Computer Application (BCA) | Bangalore North University | November 2022 | 8.29 CGPA

Certifications

Java Full Stack Development (JSpiders, 2023), Responsive Web Design (freeCodeCamp, 2023)
